Dear Colleagues,

It is my big pleasure to invite You to participate in the Flow Cytometry Workshop "Apoptosis and Cell Signaling", which is organized by the Nencki Institute of Experimental Biology in Warsaw.

The workshop is dedicated to young researchers with some experience in flow cytometry as well as the more experienced researchers responsible for publishing of flow cytometry data.

I would like to highly recommend the special Session organized under the patronage of ISAC which will be held by the Editor-in-chief of the Cytometry Part A Journal.

Katarzyna Piwocka
**Organizer, Head of the Laboratory of Cytometry
at the Nencki Institute**
