

## Agenda

### Euro-CASE Innovation Platform meeting in Warsaw

19./20.09.2016

**Meeting location: Polish Academy of Sciences Research Center Energy Conversion and Renewable Resources in Jabłonna, Akademijna 27, 05-110 Jabłonna (near Warsaw)**

**Start: 19.09.2016, 12:00, end: 20.09.2016, 13:00**

Dear members of the Innovation Platform,

As a next step in the course of the Euro-CASE Innovation Platform we would cordially like to welcome you to Warsaw. Now that we are in the working phase, the meeting will serve to finalize and agree on the data collection for the report to be written as well as for taking the first “deep dive” on energy. The meeting will be held in the new center of renewable energy of the Institute of Fluid-Flow Machinery of the PAS in Jabłonna near Warsaw.

#### Programme: 19 September 2016

**11:45: Departure of a bus from the Jabłonna Palace hotel to the PAS Research Center Energy Conversion and Renewable Resources in Jabłonna**

**12:00 – 13:00: Lunch**

**13:00 – 14:00: Welcome and introduction**

- Welcome by the Chair of the Innovation Platform Bertrand van Ee (AcTI) and prof. Elżbieta Frąckowiak (Vice-President of the PAS)
- Welcome and presentation of the Center by Dr Marcin Lackowski (the Szewalski Institute of Fluid-Flow Machinery)

**14:00 – 15:30 Working session**

- Introducing the way forward (Bertrand van Ee)
- Discussion on questionnaire (Thomas Stehnken)
- Presentation on “Barriers to innovation and scale-up” (prof. Adam Cenian, the Szewalski Institute of Fluid-Flow Machinery)

- 15:30 – 16:00 Coffee break**
- 16:00 – 17:30 Break out session - working groups moderated by the Platform members**
- 1.) What should be the key assumptions of the paper “overview of innovation policy in EU”?
  - 2.) How to approach the study to become a high-quality document?
- 17.30 - 18.45 Visit to the laboratories of the PAS Research Center Energy Conversion and Renewable Resources in Jabłonna**
- 18.45: Departure of a bus to the Jabłonna Palace hotel**
- 20:00 – 22:00 Dinner in Jabłonna Palace**
- Key note speech (Andrzej J. Piotrowski, Undersecretary of State at the Ministry of Energy)

#### **Programme: 20 September 2016**

- 08:45: Departure of a bus from the Jabłonna Palace hotel to the PAS Research Center Energy Conversion and Renewable Resources in Jabłonna**
- 9:00 – 09:10 Introducing the deep dive on Energy (Bertrand van Ee)**
- 09:10 – 10:00 Key note and Q&A by Marcin Korolec (former Minister at the Ministry of Economy and Minister of the Environment)**
- 10:00 – 10:45 Presentation and key note “Innovation and Energy” (Aleksander Śniegocki, Project Manager „Energy and Climate“ in the think-tank WiseEuropa Institute, the Climate-KIC’s official partner)**
- 10:45 – 11:15 Coffee break**
- 11:15 – 12:30 Discussion of the paper on “Innovation and Energy” – moderated by Dr Marcin Lackowski**
- 12:30 – 12:45 Preparation of meeting in Madrid (deep dive “Industrialization”) – moderated by Bertrand van Ee**
- 12:45: Wrap up and farewell, light lunch, departure of a bus to the Jabłonna Palace hotel**

#### **Timeline for the way forward:**

- December 2016 / January 2017: Industrialization
- April 2017: Digitization
- September: Procurement
- November: Final report

**Contact details:**

**Prof. Elżbieta Frąckowiak**

Vice-President  
Polish Academy of Sciences  
PKiN, Pl. Defilad 1,  
00-901 Warszawa  
Phone: +48 22 182 60 04

**Małgorzata Musińska-Kubis**

Director, International Cooperation  
Department  
Polish Academy of Sciences  
PKiN, Pl. Defilad 1,  
00-901 Warszawa  
Phone: +48 22 182 65 01

**Dr Marcin Lackowski**

The Szewalski Institute of Fluid  
Flow Machinery PAS  
Fiszera 14  
80-231 Gdańsk
